

**Write up note on e-Prisons Software and Launching of Meghalaya Prisons Website.**

e-Prisons software and Meghalaya Prisons Website launched at District Jail Tura on the 20<sup>th</sup> November 2020 under the leadership of Shri Dr. Jaison N Sangma, Superintendent cum Senior Medical Health Officer District Jail Tura. Inauguration was done by Shri M. Kharkrang, IPS (Inspector General of Prisons, Meghalaya) in the presence of Shri R.K.M. Sangma (Asst. Inspector General of Prisons, Meghalaya), Shri S. Rynja, MPS (Commandant 2<sup>nd</sup> MLP bn), Smt. Sengrey N. M. Sangma (DIO, NIC Tura) Shri K. Mawa (Addl. Chief Engineer, PWD, Tura), Shri G. Ch. Marak (FAO, Prisons Deptt.), Shri P.K. Das (Asst. Jailor), invited Officers of other Department and the staffs of District Jail, Tura. Mrs. J. Marbaniang (wife of IG Prisons, Meghalaya) was also present as a special guest.

At the event, Inspector General of Prisons, Meghalaya mentioned in his speech that ePrisons is a web technology based application software, developed by using the latest tools available with the following functional modules integrated with it:

- Prison Inmate Management Sys Tem (PIMS)
- Visitor Management System (VMS)
- Court Information System (CIS)
- Police Information System (PIS)
- Personnel Information System (PIS)
- Website of all the jails
- Roster Management System (RMS)
- Prosecution Information System (under discussions with ASG)
- NCRB/SCRB system

He said this IT setup shall help administrators of the State Prison Department. This shall reduce burden of the government agencies and duplicity of their efforts. It shall also reduce the delay in processing the information. This will also automate processes and functions convenient and transparent services to all the stakeholders through ICT. The inmate's information shall be made available to all the prisons, police and intelligence and central agencies for various other purposes throughout the State. he said that the Government is keen on bringing technology into governance and in other field as technology has become an absolute necessity. It will play a big role legal aid services.

He also mentioned that NIC has been involved in providing IT support to Prisons and has been pioneering in this area.

The Speech of Inspector General of Prisons, Meghalaya was followed by a speech by Asst. Inspector General of Prisons, Meghalaya. He mentioned that the Government is committed and will be pushing forward to bring on technology to the streamline, to make

the governance more accessible to the people and to ensure that governance is carried out in the way meant to be. He expressed his warm gratitude to the initiative and efforts taken by the Inspector General of Prisons Meghalaya in starting of e-Prisons System in Tura Jail.

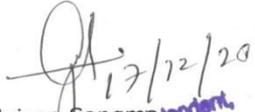

Smti. Singre of Tura NIC briefed regarding the utility the system of e-prisons Application in Jail for better day to day prison management and reporting with its various prison related workflows and modules.

Due to COVID pandemic NIC authorities of Shillong were not present physically but virtually they were part of inauguration via videoconferencing. Jowai Jail and Nongpoh Jail were also participated through videoconferencing. Constant support from Shri Shekhar Dey (Addl. State Informatics Officer, Meghalaya) and Smt. Olga Nongrum (Scientist NIC, Meghalaya) were significant throughout the launching and inauguration.

After the e-Prisons Software and Meghalaya Prisons Website was inaugurated and launched by the Inspector General of Prisons, some of the functions and uses of e-Prisons software were shown practically to all the dignitaries by Shri Monush Sangma, Warden District Jail, Tura who is well versed in handling the software.

The function ended with a Vote of Thanks by Shri R.K.M. Sangma, Asst. Inspector General of Prisons, Meghalaya. This was followed by light refreshment and lunch.
